GOVERNMENT OF BOMBAY.
PUBLIC WORKS DEPARTMENT.
Circular Memorandum No.8980/36.
Bombay Castle , 8th July 1949.

GOVERNMENT CIRCULAR MEMORANDUM.

In paragraph XVI of Government Resolution , Political and Services Department, No.1300/46, dated the 5th January 1948, it has been laid down that persons , who were in temporary service under the Governments in Pakistan or were in service of Municipalities and District Local Boards in that Dominion or are seeking Government service for the first time under this Government , should be considered for appointment under this Government on merits and their initial pays fixed according to their qualifications and experience. It has also been laid down that in case in which it is proposed to grant pays higher than the intial of the scale or the pay which the appointing authority is competent to sanction, the case should be referred to Government .

2. It is noticed that, in anticipation of the approval of Government , the local officers, while recommending higher starting pays, fix the pays of the subordinates concerned at the pays last drawn by them in their previous appointments. Government consideres that this procedure followed by the local officers puts Government as well as the subordinates concerned in an awkward position. The higher starting pays are to be fixed with the approval of Government (and not in anticipation) on the recommendations made by the local officers are, therefore, requested that pending fixation of higher starting pays by Government , the subordinates concerned should be allowed only initial pays of the posts.

The Superintending Engineer,

To

The Secretary to Government,
Public Works Department,
Bombay.

No. G-51. Public Works Department,
Belgaum, 11th July 1949.

Subject:- Higher Starting pay to Mr. V.L. Vaswani.

Reference:- G.C.M.(P.W.D.) No. 8980/36, dated the 8th July 1949.

One Mr. Vasumal L. Vaswani, a non-Muslim refugee from Pakistan has been appointed as a maistry on the temporary establishment of the Dharwar Division in this Circle with effect from the 15th December 1947 on a monthly pay Rs. 50/- in the old scale of Rs. 30-2-50-5/2-70.

2. Mr. Vaswani represented that in view of his previous service of some 14 years in Pakistan he was entitled to the benefits of G.R.(P.& S.D.) No. 1868/46, dated the 5th January 1948.

3. He stated that while in Pakistan he first proceeded on 3 days' casual leave due to sickness from 11th September 1947 and then extended it by three months on M.C. which was refused to him.

4. As regards his service in Pakistan, Mr. Vaswani produced certain documents (copies attached) which show that he was first appointed as a Sub-Daroga on the work-charged establishment in March 1933 and was subsequently promoted as a Daroga on Rs. 30/- P.M. from 1-3-1935. His application, dated the 6th April 1938 among the accompaniments gives the details of his service and the Sub-Divisional Officer, Jhol's Order No. 26, dated the 6th January 1946 among the accompaniments shows that Mr. Vaswani was appointed as a Permanent Daroga from 6th January 1946.

5. To show that his service in Pakistan was continuous no documentary proof can be produced by Mr. Vaswani. But assuming that his service was continuous the total service in Pakistan as Daroga from 1-3-1935 to 14-12-1947 comes to 12 years 9 months and 14 days, of which only service of 1 year 11 months and 9 days from 6-1-1946 is permanent. There is no proof to show what portion of his service was temporary.

6. As regards the duties of a Daroga Mr. Vaswani says that they were the same as that of a Maistry in this Department and that at the time of leaving Pakistan he was getting Rs. 85-8-0 in the scale of Rs. 35-5-105. There is, however, no proof in support of this and it is doubtful whether the figure given is correct since Rs. 85-8-0 is not a stage in the scale of Rs. 35-5-105.

7. The pay of a Maistry in this Department in the old scale of Rs. 30-2-50-5/2-70 with a longer service than that of Mr. Vaswani did not exceed Rs.55/- and in the revised scale of Rs. 55-3-85-4-105 such a maistry gets only Rs. 64/- on the 1st January 1947.

.....

(While I was Superintending Engineer

8. In view of the above and since Mr. Vaswani worked as Overseer in the Eastern Sind Circle there, I obtained a declaration (copy attached) regarding his continuous service in Sind and fixed his pay at Rs. 64/- from the 15th December 1947 enunciated in G.R.(P & S.D.)No. 1868/46, dated the 1st October 1948. This may kindly be approved. In the meantime, I am, however, instructing the Executive Engineer, Dharwar Division to grant the minimum pay of Rs. 55/- to Mr. Vaswani, Maistry with effect from 1st July 1949 pending final orders from Govenrnment in the matter.

The S.E., S.C., requests Govt. to approve his action in fixing the pay of Mr. V. N. Vaswani, a non-muslim displaced person appointed as a Maistry on the temp. estabt. of the Dharwar Dn. at Rs. 64/- p.m. from the date of his appointment viz. 15-12-47.

2. From the history of service as given in the copies of documents (Pp. 1-3) produced by Mr. Vaswani it will be seen that he was appointed as a Sub-Daroga on the work-charged estabt. in 1933 and subsequently promoted as a Daroga from 1-3-1935 (a charge equivalent to a Maistry in this Province as stated by Mr. Vaswani) which apptt. he held till Septr. 1947 - vide copy of declaration (p. 5) given by him to the S.E. Thus Mr. Vaswani's service works out to 12 yrs and 6 months out of which 1 year and 8 months is on the permanent estabt. having been made pt. on 6-1-1946.

3 The pay of a maistry in this Deptt. in the old scale is Rs. 30-2-50-5/2-70 and a maistry with as much service as Mr Vaswani viz. -

8980/3: 148911

viz, 12 years would draw Rs 54/- p.m. The pays of such maistries in the revised scale viz. Rs. 55-3-85-4-105 were fixed at Rs 64/ p.m. on 1-1-47. The S.E. has accordingly fixed the pay of Mr. Vaswani at Rs. 64/- p.m. in accordance with G.R., P.&S.D., No. 1868, 46, dt. the -10-48 and brought it in line with the pays of other maistries. In G.R., P.&S.D., No. 1868/46, dated the 24-5-48, Govt. has directed that the pays of persons in continuous temp. service under the Pakistan Govt. should be given the benefit of one increment for every three completed years of service. There is, however no proof to show what period of his total service was on the temp. estabt. [illegible] if it is presumed that Mr. Vaswani was on the temp. estabt since 1935, then Mr. Vaswani would be entitled to draw Rs 67/- p.m. in the revised scale. The S.E's action in fixing Mr. Vaswani's pay at Rs. 64/- from 15-12-47 so as to bring it in line with the pays of other maistries is in order and may be approved. The F.D. may see n.o.
